The Office of Admissions is proud to present the Barnard College Class of 2021. Each year we seek to enroll bold, engaged, and intellectually curious students into our community. We are happy to provide statistics on enrollment and financial aid to give you a broad understanding of the candidates we seek to admit to Barnard. Our admissions process is truly holistic, carefully considering all aspects of these students’ academic profile and personal accomplishments, including essays, letters of recommendation, extra-curricular activities and interviews (which are optional). These pieces of the application are critical to gaining a full understanding of each candidate and their fit for Barnard.
